

Minutes

Corbett Water District  
Regular Monthly Water Board Meeting

February 13, 1990

The meeting was called to order at 7:30 p.m. by Vice-chairman Bill Finney. Board members present were Edith Mastne and Henry Schwartz. Also present were Ass't Supt. Randy Stark and Dist. Clerk Carol Quinn. Tom Tye arrived at 8:00 p.m.

The minutes of the last meeting were read and approved as printed.

Mrs. Mastne moved that Randy Stark be appointed as Budget Officer for the District for the 1990-1991 budget year. Mr. Schwartz seconded. Passed. The first meeting of the budget committee will be March 13, at 8:00 p.m. Board members were reminded to contact their budget representatives and request their attendance at the budget committee meeting.

Mr. Stark addressed the Board concerning wage proposal considerations for the next fiscal year. He asked the Board for a 5% cost of living increase plus a \$4.00 an hour raise. He informed the Board that he felt he had never had a raise since coming to work for the district except for cost of living which usually did not reflect the actual cost of living increase. There were no raises for increased experience, or additional schooling, state certification, time on the job, or additional duties that are required with increased facilities and regulations. It was decided that the Board would meet with the district personnel on February 27 to discuss salary negotiations.

Mr. Tye informed the Board of the progress on the water treatment plant. He presented the district with a report including preliminary design plans, cost estimates, and testing results. He asked the Board for permission to forward this information to the State Health Department for their review and approval so that the schedule can be maintained to proceed with the construction beginning this summer. The Board discussed the report and agreed that it should be sent to the state for their consideration as soon as possible.

The meeting was adjourned at 9:00 p.m.
