

Minutes

Corbett Water District
Regular Monthly Board Meeting

August 8, 1989

The meeting was called to order at 7:30 p.m. by Chairman Pete Place. Board members present were Bill Finney and Edith Mastne. Also present were Ass't Supt. Randy Stark and Carol Quinn, district clerk.

The minutes of the last meeting were read and approved as printed.

A letter from the Oregon Assn of Water Utilities and the Nat'l Rural Water Assn was read requesting funds to support participation in drafting federal regulations for drinking water. The Board decided not to participate at this time feeling that there would be very little regard for any input that would be offered on our behalf.

There was some general discussion concerning the progress on the pilot plants and the Wand Road project.

It was decided that a notice should be printed on the next water bills advertising the old oak chairs for sale. Bids would be received at the next meeting.

The meeting was adjourned at 8:00 p.m.
